Proximity: relating to togetherness; being close in space and time.

This is the characteristic that sets us apart. By drawing on the skills and experience of our teams of experts, we can work together for your success.

Supported by a global presence in leading cities around the world, we get involved to help you mitigate risks and seize opportunities. We base our approach on teamwork and a commitment to the solutions we deliver, because together we can create far more added value.

Our aim is to work alongside companies and organisations such as yours which, like us, are committed to ethics and values, focusing on sustainable development and growth without forgoing social engagement.
COMPLEXITY
Solving complex matters is our passion.

OBJECTIVES
We pull together for your objectives.

COMPREHENSIVE
We stand by you until all the pieces are in place.

FLEXIBLE
To be flexible, to be there for you. That is Auren.
The importance of quality

The world of financial auditing is changing quickly. At Auren we are in a constant state of innovation in order to offer our clients the best quality at the best price.

Our quality control system meets the International Standards on Auditing, and Auren is one of the few firms worldwide to have been admitted to the prestigious Forum Of Firms (Transnational Auditors Committee – IFAC). This guarantees compliance with the strictest quality control levels, and in fact Auren has been recognised for years as a standard setter in the field of auditing.

Inspiring confidence

Our audit reports ensure the corresponding interested parties (shareholders, credit institutions, customers, suppliers, employees, regulators, etc.) trust your company’s accounts.

Professionally qualified staff

Our professionals have specific knowledge of the business and extensive experience in the field of auditing and assurance. We believe that investing in continuing professional development is essential in this sector.
• Audits of financial statements
• Special reports and limited reviews
• Forensic evidence
• Financial due diligence
• Internal audits
• Regularity and performance audits (public sector)
• Insolvency administration
Peace of mind

In the complex area of legal and tax regulations, being able to find the best solutions guarantees the peace of mind your company needs.

The best advice possible

Our intention is to comply with the law while incurring the lowest costs possible. The difference between simple or excellent advice can mean a great deal to a company, and this is achieved through the knowledge and experience of strong multidisciplinary teams with in-depth knowledge of all regulatory matters.

The Auren approach

We interact with our clients to provide them with the most suitable solution, however simple or complex.
- Commercial and corporate law

• Marketing, reputation and business development
• Innovation
• Security & risk management
CONSULTING

We provide solutions

We do this by working closely with your company using the teams necessary to achieve excellent results.

Experienced consultants

Our consultants are accustomed to working in complex environments, building on their experience in comparable companies to make the process easier, while controlling the costs of each situation.

A multidisciplinary approach

We are innovative, experienced and focused on obtaining effective results. Whether you need advice on personnel, IT, organisational or structural matters, to name but a few, our consultancy services will measure up to your expectations.

Our economists, engineers, psychologists, IT experts and other professionals are ready to provide you with the most suitable solution, using a multidisciplinary approach to ensure its effectiveness.
CORPORATE

Sector leader

We are a leading firm in the field of financial advice and corporate operations. We provide comprehensive support in transactions related to the sale and purchase of companies and businesses. We have a multidisciplinary team of professionals highly specialised in mergers and acquisitions, debt restructuring, financing operations (debt and capital), business valuations, etc.

Methodology

Our collaboration starts by identifying client needs, creating a strategic plan, rigorously analysing the situation of the business, studying the sector, locating opportunities for investment/divestment and negotiating and advising on the transaction and its closure.

Strategic support

Aware of the strategic importance of any corporate decision, we assist businesses by giving the utmost professional commitment. We ensure total confidentiality and discretion in all matters we handle. Our professionals have the expertise and experience required to provide this service.
• Mergers and acquisitions
• Business plans and viability
• Company valuation
• Refinancing and finding investors

• Financial restructuring
• Finance transactions
• Registered advisors of MAB
Proximity
We work closely with our clients. Our flexibility and around-the-clock availability set us apart. We proactively commit to them.

Innovation
Auren is an innovative firm in the provision of new services, the improvement of processes, and the implementation of cutting-edge technologies.

We know that the world is constantly changing and we are progressing along with it.

Quality
The experience and expertise of our professionals, combined with exacting and effective work methods, ensure that we deliver nothing but excellence.
Professional ethics

Everything we do is subject to objectivity, independent criteria and confidentiality. Our code of conduct reflects our commitment to the honesty that forms part of our culture.

Multidisciplinary approach and expertise

We are familiar with the increasing complexity of the business world and its global nature. Therefore, Auren has teams that are specialised in different economic sectors and types of organisations, and we tackle problems from a multidisciplinary perspective: legal, tax, financial, organisational, human resources, etc.

We provide added value

Our customers do not “buy hours of work”, but require solutions. They share with us the added value that our services generate.
Wherever you are, we can deliver a service tailored to your needs. Operating worldwide, we understand other cultures. As a member of the Antea Alliance of Independent Firms, we have a wide network of associates so we can support you in your internationalisation wherever you need it.

You can depend on us to accept any challenge.
Auren occupies 7th place in the ranking of professional firms in Spain
